Lunch at the Equator

As far as lunch venues go, they don't come more exotic or unusual than on the Indian Ocean at zero degrees latitude. Our luxury yacht, departs from the resort's marina with breakfast on board. The "trip to zero" might involve a little fishing, sunbathing on deck or your preferred water activities. On reaching the equator just before midday, an exquisite epicurean lunch will be prepared for you in the yacht's galley.

Dinner in the Jungle

In a torchlit clearing in the jungle surrounded by lush vegetation, with only the sounds of the mysterious night life, you will find a perfectly adorned table awaiting you for an unparalleled gastronomic experience. This is one of the resort's most unusual and memorable dining locations. A themed menu includes tasty appetisers, sizzling specialties served straight from the barbecue and finishing with a Maldivian-inspired dessert.

Mount Villingili Dinner

There is no other place in the Maldives closer to the clouds than Mount Villingili's peak at a staggering 510 centimetres. Surprise your loved one with a romantic dinner at the highest point in the Maldives, next to rolling waves of the seemingly endless Indian Ocean or create unique memories with your family or friends during this once-in-a-lifetime experience. A three-course barbecue will be prepared by your personal chef accompanied by cocktails or wines of your choice.

In-Villa Romantic Dinner

Experience an unforgettable romantic dinner in the intimacy of your own private villa. Be it on the poolside deck, in the private garden or on the beach with your feet in the sand, just let us know your preferred location, menu and atmosphere, and our team will do the rest.

Spa Dinner

More than just a meal, this is a feast for the senses for a complete state of well-being. Surrender to the caress of gentle sea breezes and background sounds of Indian Ocean swells breaking onto the lagoon's perimeter reef. Enjoy the aroma of blended herbs whilst savouring a four-course gourmet menu that is healthy and rich in antioxidants, vitamins and minerals designed to restore balance and harmony to both body and mind.

Golf Course Barbecue Pit

The resort's barbecue pit is located at the southernmost tip of Villingili Island, nestled amid the serene surroundings of the golf course and providing panoramic views of both the Indian Ocean and lagoon. The barbecue pit is the ideal setting for a relaxed and rustic sunset grilling adventure with family and friends infused with distinct Maldivian flavours.

Dinner on a Luxury Yacht

There are few moments as mesmerising as watching a tropical sunset on the open sea. When the venue is a sublime yacht, it becomes what dreams are made of. Our spectacular yacht will pick you up in the early evening, presenting pre-dinner cocktails and appetisers. Your butler for the evening will then escort you to the yacht's elegant dining room for a gourmet dinner accompanied by fine wines and digestifs.

Romantic Beach Dinner

Let us find your private spot along the 2 km of pristine beach of our island. Enjoy an unforgettable dining experience on the beach with your feet in the sand, accompanied by a private waiter and chef, serving a tailor-made menu cooked to your preferences.
