## **Ocean Kayaks**

Take a stroll out in the sea. Paddling is a great way to exercise and explore the island lagoon. Little skill is needed to get out on the water, and it's a great activity to enjoy together with your friends or partner.

Use of kayaks is complimentary

## **Stand Up Paddleboards**

Stand up paddle boarding (SUP), is a sport originating in Hawaii as an offshoot of surfing. As in surfing this sport is great for training your sense of balance and core strength. Due to your naturally elevated vantage point it also allows paddlers to see deeper in to the water and further out to the horizon.

*Use of stand up paddleboards is complimentary* 

#### Seabob

Seabobs are the ultimate high performance marine toy, powered by an E-Jet electric jetstream system. Feel the water rushing against your face as you accelerate on this sleek machine. At the surface, the Seabob can achieve a top speed of 20kph and under water, 14kph. Have a go, try it out, you control the speed and how much of a thrill you get.

Per Seabob 30 Minutes US\$ 150.00

#### **X-Jetblade**

The X-Jetblade takes you back to the future with a truly amazing hover board experience. Feel the power under your feet as jets of water carry you into the sky. Following your preflight instruction on the beach, our experienced instructors will escort you to the water where they will carefully control the power while you steer the board. With some practice you'll be able to fly it, twist it and even dive it!

1 Person 45 Minutes US\$ 225.00

## **X-Jetpack**

The X-Jetpack is the next evolution in hydro flight jetpack technology. It was developed to make the dream of flight a reality for as many people as possible. Following your preflight instruction on the beach, our experienced instructors will escort you to the water where they will carefully control the power while you steer the pack. How high you can fly depends on each pilot's ability to balance and control the system. One thing's for sure, it's a blast!
